

Request for Expression of Interest (EOI) Uniform Supply Service at Balwyn North Primary School

CLOSING 12:00PM Thursday 26th May 2022

Balwyn North Primary School currently operates an onsite uniform shop which is co-ordinated and staffed by school staff and parent volunteers.

Balwyn North Primary School is looking to move to an alternative model for the supply of its compulsory uniform to our families.

We require a single supplier to provide compulsory uniform services offsite under this model.

Interested parties are invited to contact Stephanie Crawford, Business Manager for a copy of the EOI document that is required to be submitted.
